- Severnside Area Committee meeting – Communitiy Cllr Sandham usually reports fully on this.
- Audit Committee meeting – looking over the draft audit of MCC.
- MUSLA AGM – update on where MUSLA are, election of committee and looking towards bringing together a consultation on multiple issues.
- Dog mess meeting – was put on the committee and elected chair of the group, got the ball rolling and added lots of things to the next agenda meaning there is lots to do inbetween the meetings.
