

County Councillor Crook's Report September 2013:

Meetings:

- **Undy AFC Committee meeting** – things looking up, lots of events on putting out publicity for all the great events.
- **Joint Advisory Group Committee.** - Looked at equality pay within the council. Lots of action points to be carried forward to the next meeting.
- **Sevenside Area Committee** – Received a report regarding the Sevenside plan, and a lot of public forum issues. Unfortunately I had to leave early. Cllr Sandham may be able to fill in on the rest.
- **Full County Council Meeting** – Put forward the petition to the full council which will now be subject to a response from the chief officer, also put forward 2 questions one about fly-tipping and one about MCC discouraging those who maintain communal areas.
- **MAGOR meeting** – Went well, talked a lot about funding and promoting. I took away numerous action points all of which I have dealt with or am dealing with.

Constituent Issues:

- Lots and lots of people contacting me wanting to sign the **petition** which has unfortunately gone past its deadline.
- Lots of people contacting me with their worries about the **LDP** developments.
- Organising representation for the **LDP** hearings.
- Dealt with a complaint regarding the leaflet MCC posted to all houses making reference to their **service cuts**.
- Trying to sort out problems centring around **dog bins**.
- Had a query about **land ownership**. Went to the enforcement team at MCC who have been able to shed no light. Went to the land ownership team who could also shed no light. Still trying.
- Dealing with concerns regarding the **development of the land adjacent to Undy primary**.
- Had further complaints about the **speed on the causeway** and have spoken to officers about this. Trying to come up with a solution.
- Dealt with and sorted a constituents **drainage issues**.

Other:

- Tidy Town Week **litter pick** up at Undy AFC. Went really well, picked up a lot of rubbish and hopefully raised awareness.
- Printed and put up **posters** as a consequence of the litter pick at Undy AFC to show people what they're doing to their own facility.
- Chasing up on the **speeding on dancing hill** issue I took up in august.
