What you need to do

To follow the progress of your Check you can view the case's current status by logging in to your account and viewing the property's valuation - submitted Checks will be listed underneath along with the case's current status.

What happens next

We will now consider the information and evidence that you have submitted as part of your Check case. We have 12 months to complete the Check case. but we aim to complete cases sooner.

We may contact you if we require any further information or evidence. Outside of this, you will not hear directly from us until we write to you with our decision.

The information submitted as part of the Check case may cause the valuation to go up as well as down.

You can track the stage of your case through your Business Rates Valuation Account. We will write to you to confirm our decision as soon as we have completed the Check case review.

You can find more information on the Check and Challenge service by searching for 'Check and Challenge' on the GOV.UK website.
