Purchase of Dog Waste Bin

It was reported by email to Town Council ON 17/08/26 and widely on social media.

Mon CC confirmed that the bin was located by Vistry who should be arranging waste collection every two weeks.

Due to the misuse the bin in respect of discarding of dog waste bags, the bin has been removed from use.

To address this issue on what is a clear route used by dog walkers a New Dog Waste Bin has been purchased and shall be installed by Mon CC at the location shown below which is about 50 metres from the misused litter bin.

New Dog Waste Bin to be located here.
