Treasure Trail

Magor Events Group have put together a Treasure Trail around the village. The idea is to look for clues on a walk, filling in your answers as you go which will lead to the solution of the Master Clue.

You may see things in the village that you've never noticed before!

It will probably take you about 2 hours, but it can be done in sections in your own time.

There are no prizes - but we hope you will do it just for fun and to get out and about in your village.

Copies of the Trail cost £3* (Cash only) and can be purchased from Magor Post Office
(from February 8th)

Have Fun!

*All proceeds will go towards helping local charities and good causes.
